A. J. Whitby Laid to rest

A. J. Whitby, a pioneer of the district and well known to the residents of the area, passed away peacefully in an Edmonton hospital on Thursday, Feb. 22, 1961, and was buried with full honors beside his wife in Mount Pleasant Cemetery, Edmonton, on Monday, Feb. 27. Services were conducted in the funeral home of the Rev. W. D. Wells of the district.

A few old friends from the district attended the service. He leaves to mourn his loss all of his children except Herbert, who passed away in 1958, two grandchildren and twelve great-grandchildren.

"A J." as he was familiarly known to his friends and business associates was born in Markham, Ontario, on the 13th of June, 1885.

He was united in marriage to Miss Alice Marshall, daughter of John Marshall, of Ontario, Ontario on July 4, 1913.

In May 1913 he came west to settle in Banham where he owned a hardware store which was known as the Whitehead store. The family occupied a small home on the corner of 1st and 10th streets.

During his residence in Banham he was an active member of the United Church and was a member of the school board and in the latter position he was the last to administer the law as trustee of the school.

He was in his 77th year when he passed away.

He is survived by his wife, Mrs. Alice Marshall, of Banham, Alberta.

Wreck of Old Building and Lay Plans for Laundry and Cleaning Plant

TOWN SECRETARY TO BRASHELT Wreck of Old Building and Lay Plans for Laundry and Cleaning Plant

The village council is meeting on Monday night on the date for Grant of Revision as March 11, 1961 and at that time will hear the village clerk who has been given authority to represent the village.

There has been a lot of discussion on the new general assessment and those who have filed complaints will have an opportunity to be heard.

At the same meeting, tenders for the draining right building over the old building will be accepted. It is expected that a statement from the Scott group will be made at the meeting.

The tenders will be accepted and an agreement made to turn the building over for an amount of \$120 will be an amount for cost testing and drilling on the proposed hospital site.

WATER AND GRAVEL

Although the soil in this part of Alberta is considered to be good, the water is not. The province another great natural asset is beneath it in place. We are told that water surveys indicate that underlying the Basha's immediate area is one of the finest underground water supplies in the province. In fact, in the previous years, the water has been so good that some of the best grain and alfalfa in the province has been raised there. It is a pity that some of the best water in the province is not being used. It is a pity that some of the best water in the province is not being used. It is a pity that some of the best water in the province is not being used.

Sports Cars for the Teen Agers

(By Nick Lougher)
It would be a good experience for every teenager to have access to a sports car for at least one month. By this I mean low-powered cars such as the MGA and Morris Minor. How many teenagers, parents included, can afford such a four wheel car? Even with last year's price increases, it is still a good investment. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes.

There are not as susceptible to falling down as much as the ordinary car, and the teen-agers with host of other "goodies" to make it a better automobile for most of the family. There are reasons enough to make it a car for a teen-ager to own. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes.

The old sport cars are better "King of the Road" in a term well applied to these sport cars. They are fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes.

The 1911 Huschke is perhaps the best of these sport cars. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes.

The 1914 Huschke is perhaps the best of these sport cars. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes. It is a car that is fun to drive and can be used for many purposes.

MAIL POINT PENS

The days of good writing in or out of school have gone, and the ball point pen has made no improvement in this important method of communication. The pen is the pen first made with its appearance with the Reynolds pen (which was a fountain pen) was to be changed; selling them for nearly \$6.00 they could not compete with the fine straight or fountain pen that had been a standby for generations. But when came the day of plastic and soon the ball pen, with improved ink supply came out at a sparkling new cost, and from that time to now there has been no let up on sales; every year some new looking device or style is added and with the advent of color the pen is a must in most everyone's shirt, pocket or in a lady's handbag. For business, office or business people they have lacked the fountain pen and pencil almost out of existence. They do have a habit however of leaving you high and dry while you are in the midst of an important document or signing in for a hotel room. At the most unexpected times they can quit, and at those times they could throw them as far as the dead sea, they are an annoying item, for after some time they do chip off and the retror spring releases to work, so you will never forgive you. In the last two years the common graphite pencil has come back into use because it does not have this pesky ink to contend with. By and large however, the ball pen will retain its dignity in dark suits; and will be used on the farm, in the home and wherever writing or figuring is necessary.

GOOD TIME TO CLEAN

BIRD HOUSES

This next week or ten days a good time to get work on cleaning out the bird houses which are around the lot, for in May the Martins and Ravens will be back and looking for homes. In the meantime the birds have been trying to pick out the choice locations for their nests and building and taping up the martin houses until they arrive is a good practice. Robins, and other spring birds have arrived and care should be taken to give them the protection they need, to survive.

A shoot should be organized for some week end to take care of any noisy and noisy starlings which already have done irreparable damage to some nesting areas. Travelling like wolves they do not hesitate to enter any good land and each year their number seems to be on the increase. It is better to point now where at starlings are a greater menace than crows or magpies and the sooner we get rid of them the better bird life will be in the area.

WHO IS FOR A STAFFING SHORT?

THE AUCTION MART AND THE HALF HOLIDAY

Since the opening of the Bashaw Auction

Mart a ballot box at the mart has registered the opinion of some of the mart as to the best day to hold a sale. About 90 per cent of the opinion we took indicates that the mart should be held on a Thursday. This has been the half holiday of the town for years, and the matter is serious enough to warrant a ballot box. A ballot box at the mart should be held with the businessmen (all the businessmen of town) to determine whether it should be changed to half holiday Wednesday in order that those attending the sale can sleep the same afternoon. From the standpoint of business this would appear to be a good plan. There are others who for one reason or another must oppose the Wednesday half holiday. Every angle must be taken into consideration and a secret ballot should indicate the wishes of each business in town. In this way the wishes of the majority will prevail. Another factor which must be considered is the wishes of the community for the mart. Today, with cities and larger towns opening and closing various days and events, the whole matter of store hours will have to be discussed; there is even a possibility that the closing by the majority will throw out and the matter of half holidays left to discretion of each business. The matter will be aired at a Chamber of Commerce meeting on Wednesday, April 11th at an early hour in the Legion hall. It is important enough that every business should be represented for recommendations from this meeting will be sought by home.

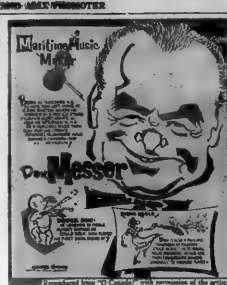

OLD POLAR BEAR

BEAT HOUSES

At not a long time a long from now, the matter of a second old citizens home for the Bashaw M.D. will have to be considered. At the original instigation of the Stoney Creek Lodge in Camrose it was generally agreed that a second home for the M.D. would likely be built in Bashaw; now that Stoney Creek lodge is at its capacity and taping up the martin houses until they arrive is a good practice. Robins, and other spring birds have arrived and care should be taken to give them the protection they need, to survive.

Time has a way of pushing those problems into focus, and now that the focus is on the matter, some detailed meetings should be held with the present foundation to determine what can be done. It is reasonable to believe that the houses should be scattered in the area in which they are most needed and we believe this area has a reasonable case for having the second home. Certainly there are some who, if the homes were here, would make application to live in it.

Although not too much detail has been worked out on such a place here there are likely locations that could be used with good effect for the older people and the home.

Special Meeting for Water Conservation

WATER, FLOODS, AND DROUGHTS ARE THE THREE BIGGEST PROBLEMS facing the world today. The Lacrosse Agricultural Service Board is sponsoring a series of meetings on April 11th at 8:30 p.m. in the Lacrosse Memorial Hall. The speaker will be Mr. J. H. Brown, a well known authority on water conservation. The speaker will discuss the importance of water conservation in the home, the farm, and the business. The speaker will also discuss the importance of water conservation in the community. The speaker will also discuss the importance of water conservation in the world. The speaker will also discuss the importance of water conservation in the future.

Boys and Puddles

Sharp, challenge to trinity, which might small here three five fabled, the boys have hit—
An unruffled sea.
But six-year-old—now puddle—
Invades at once, with conquerors.
And shoving boots prove sea to be.
Of puddle size—

IN TUNE WITH PASTOR
During the past ten years or more there has been a gradual changing of pace with respect to the manner of Easter and the various customs that go with it. Church attendance seems about the same but the preparation, which in years past were always looked forward to, seem to have gone by the board. We have come to realize that Easter is a day rather than a time, and the very real thing that it stands for seems to be the grip on the heart of the people. Those who feel it is so, or who feel it is a fault at all, it is hard to determine.

People are now looking forward to the first day of the lake and boating and fishing and swimming, and Easter has taken a second place in spring thoughts. Perhaps we ought to analyze the message of Easter and its meaning to us for almost 2,000 years and see whether we can afford to ignore the true education of this event. It would appear that more and more people are beginning to doubt the value of the Easter message, and its impact; more and more our society is aware of material values that give a sensual satisfaction and we have become so spiritual that we are beginning to accept with fervor, the greatest event that changed the course of thinking.

Eventually it will become like Christmas, whose greatest meaning would appear to be the buying and receiving of gifts with little, (other than temporary) notice of the real hidden meaning.

We'll see you in church, maybe

PAYING THIS SUMMER

With this being one of the last opportunities for towns and villages to take up the matter of paving or sidewalks, it is expected that Bashaw will avail themselves of the opportunity to do the former, and engineers depending on the amount of money available, whether to do three blocks or two blocks and the entrance to the highway. It is not a major problem but one that will require some thought on behalf of the businessmen and merchants. If enough money is available, it would be expected to do three blocks and the entrance, even if the latter are only cold laid, in a progressive town, and when the plan is finally completed as arrangements should be made to evaluate it with "black top" days as has been done in many of the communities.

There is in every true woman's heart a spark of heavenly fire, which is dormant in the broad daylight of prosperity, but which kindles up, and burns and blazes in the dark hour of adversity.

"Buy Alberta" Drive Keeps Dollars Home

The "Buy Alberta" program is now in its fourth year. In June of 1959 a group of responsible citizens met and formed a committee to promote a campaign that would point up the benefits of buying "Made in Alberta" products to "economize" residents.

From that call to life these citizens realized the importance in the stability of local economy, of buying as much as possible of the goods and services which they require. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

How 17 years later, a feeling of pride has set in and it is becoming more and more a habit of mind to buy "Made in Alberta" products. The "Buy Alberta" campaign is now a permanent feature of the province's life. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

Scanning the statistics the committee members saw that Alberta's economy was strong and growing. The fact that the province's economy was strong and growing was a source of pride. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

The increase in spending power is a source of pride. The fact that the province's economy was strong and growing was a source of pride. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

Many of the items imported could not be grown or produced in Alberta. The fact that the province's economy was strong and growing was a source of pride. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

Export To Spur Industry

With governmental assistance of about 15 billion feet of gas, the natural gas industry has taken a definite upward surge. In its wake it carries a number of associated industries.

Already hundreds of millions of dollars in new capital expenditures have been made in the province. The fact that the province's economy was strong and growing was a source of pride. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

New Iron Industry Rises

In Alberta, the oil and natural gas industry has been the mainstay of the economy. The fact that the province's economy was strong and growing was a source of pride. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

Now, however, a new phase of mining is developing in the province and promises to add to its growth are being met.

An exciting feature of this is the discovery of iron ore in the Peace River section of Alberta. The fact that the province's economy was strong and growing was a source of pride. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

Why It's Good Business To Buy Alberta Goods

Canada spends approximately \$200 million annually on imports. The fact that the province's economy was strong and growing was a source of pride. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

Money spent for any purpose should be spent on locally made goods. The fact that the province's economy was strong and growing was a source of pride. The committee's greater responsibility in the province and its immediate future is to keep the dollars at home.

The balance of growth came occurred in the industrial sector. A favorable recovery in the lumber and industry in northwestern parts as well as a resurgence in activity in the central and southern provinces were significant factors.

Geared for Future

Expansion of Canadian livestock facilities has been geared to meet future demands for export to the U.S. Almost 100,000 head of cattle and 100,000 head of hogs are being produced in the country. The system of raising these animals is geared to meet the needs of the U.S. market.

There are two distinct reasons why Canada is producing additional livestock units in the past year.

First, in 1981 an \$800-million loan was secured from the U.S. government. The loan was used to build livestock facilities in Alberta. Later in the year a new \$200-million loan was installed at

The People Who Own The CO-OP

It is the individual Co-op members who hold the reins of control all the way through. By working together for mutual benefit, Co-op members have come to own much more than a single retail store. Today our Co-operative associations own and operate their own wholesale organizations, refinery, oil wells, lumber mills and coal mines — as well as extensive warehouses. Benefits can come through Co-operative ownership! Why not join your Co-op? Membership is open to all!

ALBERTA'S PULP MILL

WHENEVER YOU USE PAPER, YOU ARE SUPPORTING A THOROUGHLY CANADIAN INDUSTRY. WHILE NORTH WESTERN PULP & POWER LTD. DOES NOT MAKE PRODUCTS THAT REACH YOU DIRECTLY IN RETAIL FORM, MANY WHITE PAPER PRODUCTS YOU BUY CONTAIN SOME ALBERTA HI-BRITE.

Eight papers... improved by a

single pulp—Alberta Hi-Brite®!

None your paper—and Alberta HI-BRITE Pulp will help you make it better! Now proved in more than one hundred North American paper mills, Hi-Brite is truly the modern pulp for modern, quality papers.

Why does Hi-Brite do so much more than ordinary pulps? First, it's produced exclusively from

northern spruce and lodgepole pine. Second, Hi-Brite pulp is "cold-blown" from Kamyr continuous digesters to preserve the bonding strength of the long, thin fibers. Third, Hi-Brite's ultra-modern bleaching process actually improves the inherent strength of the unbleached fibers.

Hi-Brite... and Hi-Brite alone... has this

unique combination! The result—a uniform pulp of gleaming whiteness with outstanding bonding properties!

Get the full story on Alberta Hi-Brite Bleached Sulphate Pulp... and the advantages it offers your paper-making operation. St. Regis Paper Company, 150 East 42nd Street, New York 17, N. Y.

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DIVISION

A poll may be demanded in a School Division by a demand signed by:

- (a) five proprietary electors, or
- (b) fifty percent of the proprietary electors, whichever is the lesser number, of each of at least twenty per cent of the districts in the division.

Every demand for a poll must be delivered to the secretary of the division, or, in his absence, to the chairman of the Board of Trustees, within fifteen days after the last meeting of the last public meeting of the division.

A certified copy of the demand must be forwarded forthwith to the Local Board of Trustees of the division.

Proprietary elector means an elector who is liable to assessment and taxation for school purposes in respect of property situated in the School Division.

NOTE: The borrowing of \$100,000.00 previously advertised ceased borrowing published above. The increase in financing of the 1962 building program is brought about by the demand considered under this building program and by increase in income (taxes received) over the previous year. All capital expenditures are now taken care of by the Foundation Program of Alberta and this additional money will not result in any increase in taxation and will be handled under the Capital Grant of the Foundation Program of the Camrose School Division No. 20.

HIGHWAY 21 NORTH

The attention of the Hon. Mr. Taylor must have certainly been called to the deplorable condition of Highway 21 north of Bashaw, particularly this spring. Cattle, sheep, horse areas, and bad bumps have come to make the road for any kind of traffic, and as long as these conditions continue it would appear that it will continue to break up. Part of the problem of course is that traffic is getting heavier on a road not designed for that volume or kind of traffic; second, the road was one of the first done under the new plan of stage construction and many of the "kinks" were not out of the process. Similarly treated roads done at a later date, are standing up much better.

Consideration should be given for next year planning on this stretch from Bashaw to Eureka for by that time it will, in many places have gone back to such a state that it will be dangerous for travel.

There is much talk tonight of a new part of 21 from Bashaw north, running just west of Bashaw and up through the lake, and ending in Eureka. This may be only a plan, but in view of the present condition from here north, some serious study will have to be given before next year's programme is set.

It would be reasonable to predict the road up to the standard of that set for the portion from Bashaw south to the junction with No. 12. Everyone here is hoping.

IT WILL HAPPEN OTTAWA

The recent breaking in of the plate glass door at the Koffler Kap in what probably was an attempted breaking, the stealing of the Imperial Oil large service truck loaded with fuel of two types, and other small thefts which have been occurring in the town, indicate that some organization is on the move against small areas, perhaps believing them to be more vulnerable. However, in such communities every citizen is a watch dog and strangers entering the

World's Fair trip good

"No kiddin'" it's not nearly as expensive as I thought it might be, said Mrs. Gora DeFrain recently as she returned from a trip to Seattle and the world's fair. She had made the trip with four sons, three sons, and a daughter, and they were all very happy.

They were fortunate, in that they were there during Sweden's week and they were able to see the Swedish Ambassador to Stockholm, and the Swedish Consul in the city. The Consul had been in the city for the last year and was very friendly.

The return trip in the Super Nettle was only \$10 to and they were able to spend all the time they wanted on the observation deck. The deck is on top of the 100 feet in the air and overlooks the city.

Specialties of 70 countries are prepared in the Food Courts with food chefs from the American specialty. Included were the famous French, Hungarian and the Italian Fair. Vending machines over the whole area of the grounds dispense handkerchiefs, hot dogs, coffee and other quick type foods.

The Christian Centre was worthwhile to take in. It is provided by 22 denominations and has a nursery school with trained personnel for children from 2 years of age to seven.

The National Geographic and Science Administration building has spaces where the children can see the exhibits and learn about the world.

There are the same for the center of a man who leaves his wife a direct to him. However, in the latter case state laws would be to be paid upon the wife's death if the estate was larger than the wife's death if the estate was larger than the wife's death.

There are five major sections of science shown at the U.S. Science exhibit and each well on its way to the world's fair. The exhibit is a very interesting one and is well worth a visit.

After the fair the four sisters visited Mrs. Kier at Union City and other relatives and friends in Vancouver. They also visited a sister at Harrison Hot Springs. Very warm and pleasant.

Lightning Kills Calf in Meeting Creek Storm

MEETING CREEK, July 27th (Star)—A lightning bolt struck a calf in the Meeting Creek area, killing it instantly, according to reports from the area. The calf was found dead in a field near the Meeting Creek bridge. The storm was severe, with heavy rain and strong winds. The calf was the only one reported killed. The storm passed through the area around 10:30 a.m. on Sunday.

A SENSIBLE SOLUTION

Village of County of Lincoln who have been anxious about starting a rural fire protection unit the past two years and police of the area who have been on call in the country, may now have a part solution to the problem of who pays for what services.

A letter from the County to at least one village, asks possible working out of a mutual agreement where costs of fire fighting in rural areas will be paid, as well as police done for the County outside the boundaries of the village. The request asks for tentative costs of fire calls and possible costs on policing. If this kind of mutual agreement can be worked out by the village remaining who stands by the only problem equipment, when they are away and have a call at home.

FLOWER SHOW BOON

The annual flower show of the Bashaw will soon be on and gardeners in both town and country should be watching for the best blooms again this year, as well as the best vegetables for display. The flower show each year is an attractive summer activity that has plenty of appeal. Residents should do everything possible to make it successful. It is a show window which no other medium can initiate and give as plenty of advertising for our town and district. Get your entry form early.

SWIMMING CLASSES

One of the best efforts ever put forth by the Bashaw Eids in recent years has been the organization of the Leisure in Leisure classes, being held at Pelican Point.

There was a lot of work and effort and time put in the planning and execution of the job, but it was more than worthwhile. Anyone who has seen these children at play and swimming at Pelican can appreciate the work that has been done. There are 127 registered including some adults and it is not only thrilling but a vital step in safety work that has been done. Thanks of the parents and the community go to the Red Cross, the Bashaw Eids, the instructors and the parents who co-operate in the driving.

A good job, well done and one which pays the way for future classes.

PROCESSING PLANTS CAN BE ENTERTAINED

Although we may not ever be able to entertain the idea of enticing primary manufacturers to our area, there is no reason why secondary and processing plant manufacturers cannot be sought. These secondary manufacturing concerns are the output of the primary manufacturer and make items for resale at wholesale and retail level. Many of these concerns are in the processing of raw materials and are not in the same sort of a processing plant as the primary manufacturer. These plants, being for tables and various other items, are in the same sort of a processing plant as the primary manufacturer. Camrose Plan for New Building Soon

The regular meeting of the town council of Camrose, Alberta, held on August 27th with all council members present. The report of the officers of the town was accepted and the following resolutions were passed: That the town council be authorized to acquire the land on which the new building is to be erected, and that the town council be authorized to acquire the land on which the new building is to be erected.

POURED FEEDING AS POPULATION GROWS

With milk being one of the prime commodities for population growth, there has been considerable effort on the part of the government to encourage the production of milk. This has been done by providing subsidies to the milk producers and by providing subsidies to the milk producers.

WE ARE LUCKY

"Someone dropped us on the street and said 'Are you going to have a paper next week?' and when we returned them that that was not they returned to us. This makes us feel happy and humble; we strive to prove to you that we are lucky. This makes us feel happy and humble; we strive to prove to you that we are lucky.

PROVINCIAL 4-H DAIRY SHOW

Here rains failed to dampen the enthusiasm of some 400 people who gathered at the Red Deer fairgrounds for the 1962 provincial 4-H Dairy Show. Despite the rain the show was a success and a "pleasant surprise" for the 4-Hers who took their place in the show.

Mr. V. J. Hargrave, president of the 4-H Club, said that the show was a success and a "pleasant surprise" for the 4-Hers who took their place in the show.

Bashaw Briefs

Douglas Radtch returned on Wednesday from Vancouver where he spent 10 days with his brother Allan. While there they attended the World's Fair in Seattle and the Canadian National Exhibition at Vancouver.

Mr. and Mrs. Wm. Triche of Lakelse spent a few days last week at the home of Mrs. Ella Miller and Mr. and Mrs. R. R. Rache.

They have just returned from two months holiday in Chilliwack B.C.

Seven members of the Turner Valley Offshoot H.C. group were week end visitors at the Bashaw United church home. The visiting team were Messrs. Farner, Annie and Margaret Van der Veen, and Brian Harold from Black Diamond and Norma Lovin, Jim Peery and Jim McLeod from Turner Valley. The young people thoroughly enjoyed themselves and were highly appreciative of the hospitality and friendliness of the town of Bashaw, and also enjoyed boating and swimming at Buffalo Lake. They wish to extend a thank you to all those who went out of their way to make them welcome during their visit.

Parents and Teachers hear "why" of new math

Parents and teachers al- phoned receipt of \$297.75 learned much of the purpose and planning of the new math program at the last Home & School when the assistant superintendent outlined the plan and its purposes and the general plan for the year. He hoped that it would ac- complish the purpose of teach- ing the "why" as well as the "how" of math, so that peo- ple would better understand the reasoning behind the work. The need for better mathematics was evident and in today's world of tech- nology mathematics was im- portant.

The Manfred PUA held their regular meeting at the Schults Community centre on Sept. 11 and President Ther- sifers called the meeting to order. Mr. and Mrs. Les Alvey gave the report of the dis- cretary account. At the meeting the PUA voted to send \$80 to his office in the summer. Miss Karen Hermann won the PUA scholarship which will be awarded at the last meeting of the PUA. The PUA is a non-profit or- ganization which is open to all who are interested in the welfare of the community. MY TRIP TO CHICAGO
On August 2nd of this year I got my first chance to go on a trip and to vacation outside of Alberta. Our destination was Chicago to visit some relatives and attend a wedding.

In Chicago was spent in shopping and watching colored television when our feet were sore.

Afterwards we went to see the newly built O'Hare International Airport, where planes and jets were coming and going constantly. Really it was calculated that some jets would stop at two hundred passengers.

That evening we saw Buckwheat Fountain, which was lit up about 900 feet. They had lights turned on in the inside, making it all over.

The following night Rusty and I went to Silverview park. We went on two roller coasters and almost screamed our heads off. We also went in the Funnel of Love but that did not prove quite so interesting since we were looking at it all over.

The last evening we spent in Chicago, we went in Venetian night. This is a seasonal town parade they have decorated with many lovely lights decorated.

The next afternoon we left Chicago for home after sending what seemed to be the most wonderful week and I am half I have ever had.

Work Party for Curling rink

An important work party for the Bashaw and the Curling Curling Association has been set for this Thursday, October 4th commencing at 1:30 p.m. The party will consist of a number of ladies including the lowering of the slingers to get ready for ice for the season. If you have an interest in curling turn out this Thursday and give a hand.

Sale Features Household and Cattle Thurs.

The sale at the Bashaw Auction Mart this Thursday will be one in which there should be a good deal of interest. THANKS!
Mr. and Mrs. Paul Schultz wish to express their very personal and warm thanks to the many who came and helped in every way. The kindness and thoughtfulness at this time indicates the closeness with which they regard one another and how willing they are to help. Thanks again.
Mr. and Mrs. Paul Schultz

Chamber Plan big Blacktop Days

Members of the executive of the Bashaw Area and the Chamber of Commerce met last week to lay tentative plans for a Bashaw Town and Country Blacktop Days to be staged in the town Oct. 25th and 27th.

Plans are reasonably extensive and already commencing. The Chamber are hoping to have a car race; a street dance; a farmer's tractor rodeo; per-sonal car radio; and if arrangements can be made a special bazaar arranged by the merchants and businessmen for the days.
There is considerable work to be done and the committees are hopeful that anyone who is asked to help will gladly do so.
The committees are out this week to determine reactions of merchants in the days and further ideas.
The blacktopping is scheduled to go on this week and the Chamber are hoping the weather will be good for the days that have been set.
Watch for further announcements and plan on spending the week in Bashaw enjoying old friendships and visiting with your neighbors, friends and businessmen.

HOMER AFTER BURNS

ACCIDENTAL, BURNS
MURKIN, Alberta
Mrs. Bruce Taylor was glad to report recovering satisfactorily from burns on her face which she received when using tannin cleaner in the home. It exploded in her face. Mrs. Taylor spent a few days in Calgary the first of the week.

St. Monica's Anglican church was filled with friends gathered Tuesday evening for a service for the late Mrs. Gertrude Adeline May Kinsman who passed away Sept. 12th at Holy Cross Hospital, Calgary.
The Rev. T. M. Mackay officiated at the service. Hymns were sung by the choir and the choir sang "The Lord My Shepherd is" and "Breathes on My Breath."
Mrs. Len B. Clark was the organist.

Neighbour Rally for Harvest at Paul Schultz

A harvesting bee was held Thursday at the home of Mr. and Mrs. Paul Schultz when neighbors arrived at 9 a.m. with 7 combines, 5 trucks and commenced harvest operations. A 40 acre field of barley had been sown, which was in the south. In the afternoon two farmers and their families arrived to finish the wheat, which was combined immediately and operations were complete by 7:30 p.m. 40 acres of grain had been combined and the remainder awaited.

As the harvesters arrived, Mr. Schultz's mother also came bringing baking and being prepared for dinner and prepared lunch and supper for the workers.
Among those in attendance were: Mr. and Mrs. W. Paster, Mr. and Mrs. Leonard Johnson, Mr. and Mrs. Redford Paster and Junior; Mr. and Mrs. Rudy Gorm; Mr. and Mrs. Freddie Schultz; Mr. and Mrs. Paul Schultz; Mr. and Mrs. Herman Hartman; Mr. and Mrs. Gus Hartman. On Sunday, Mrs. Paul Schultz delivered a well-attended service at the church and Mrs. Ross Winters and family of Comstock were also present at the home of Mr. and Mrs. Paul Schultz.

The event indicated the helpfulness and interest of the district in such situations; and has been commended for dinner before. It is a great spirit.

Stanley Reed, son of Mr. and Mrs. Arvid Reed left for Edmonton to resume his studies at U of A.

Our Turn is Next!

BABY DOLLS AND DIAPERS!
By Irene A. Ness
This was the trend on Sept. 14th for the first time.
"Why such crazy clothes?" said the Gracie children when the Gracie children were admitted into the school.
It all started out that autumn Friday morning with "servants" doing housework to our Loris and Louise—our Seniors. This would be in the form of carrying books, opening doors, polishing shoes, or even selling a piece of toilet paper on main street. This was continued until 4 o'clock when we had a rest until that evening at 5 o'clock.
Then the real fun began! It was then that the baby dolls, clothes in baby outfits, lace-trimmed, slippers, curly curlers in hair and cold cream on their face carrying a stuffed animal and the babies (girls) in diapers, bonnets, and pop-top hats and sucking on the ever famous baby bottle went to court. The court trial of the little maidings which we did through the day. The penitents were very hilarious (to the audience). Such things as "Cat's Eyes" and "Smelling Women" were used. Also part of the evenings entertainment was a contest by Mr. Hammett and Diane Beller in a prize, Making the T. Taylor. The prizes for the best costumes were presented to Irene Ness and Shirley Newstrom. To round out the evening we danced and lunch was served.
Now that I have been through initiation I want to make sure everyone gets the same chance we did. There has been some talk that I should be cut out. Now just wait! Initiation is a person's chance to show his sportsmanship, his sense of humor, and even some leadership. The coming party will be just as enjoyable in making up other initiations. I think many will agree with me when I say and sing "Ling Ling Initiations!"

To hear about Retarded Children

This Thursday, November 15, the Bashaw Home & School Association will again meet at 8 p.m. in the school. A very interesting program has been arranged with Mr. Robert Burgess of Calgary to be present with films, slides and records on the education of retarded children. This subject has been well discussed in national magazines and should be of interest to all parents and deserves a good hearing. Your attendance would be appreciated.

W.I. Plan Annual Fall Tea, Bazaar

The meeting called for the Bashaw W.I. will be held in the club room at 12:30 on Thursday and will be a most successful event. The tea will be served and several interesting words of wisdom will be heard.

Following disposition of the tea, the committee reports were presented.

The committee reported that having sent a bouquet of flowers to a hospitalized member and the visiting committee all reported having made a haul of the quilt. Volunteering members reported that they had made a quilt.

Mr. A. Bashaw gave a report on the W.I. Conference held in Regina October 1962. The conference was attended by Mrs. J. Miller, Mrs. A. Bashaw and Mrs. R. G. Clark.

Mrs. A. Bashaw gave the committee report. The final committee report was given and the report on the labor and money received was given. The final report was given and the report on the labor and money received was given.

Riding Club Needs Support

The Bashaw Riding Club held its 1962-63 membership meeting on Thursday, November 1st, at the home of Mrs. A. Bashaw.

The club is in need of funds and is using its method of fund raising by holding a tea and bazaar.

The club met at the home of Mrs. A. Bashaw and the members reported that they had made a quilt.

JOHNSON'S

Bashaw Briefs

John A. Hertz who was a patient in the Bashaw hospital, returned home at the week end and Mrs. John Campbell of Jasper arrived Saturday to spend a week's holiday here with Mrs. C. C. Way and J. Campbell.

Born to Mr. and Mrs. Henry Masters, in the Camrose hospital November 11, 1911, the son of Mr. and Mrs. L. Barry of Bashaw is spending some time here at their home.

Those who fly for big game and fishing, especially for a week at Northgate, are Frank White, Alva Hertz, Ralph Scherman and Earl Carden.

At Bashaw, the local policeman is attending a six weeks municipal training course here, held at Camrose. The course is to study police procedure throughout the province.

Horn Hall is attending a Civil Defence conference with municipal representatives being held Thursday and Friday of this week in Edmonton.

Lee all the local skating rink is progressing favorably and is in charge of Orie Boock. Although not quite ready, if the weather holds, it should not be too long in coming, and the arrangement completed, the village will be free to all this year.

Mr. Ross Winters and boys of Camrose spent a few days here at the home of Mr. and Mrs. Paul White, Alva Hertz, Ralph Scherman and Earl Carden.

Mr. and Mrs. A. C. Hertz returned last week from Banora hospital after his recent injuries.

CHAMBER WRESTLES
(Continued from Front)

OTHERS HAVE PROBLEMS

(Continued from Front)
their best, but it does not seem of the merchants who opened the store, to carry on with the former or to close the store for good.

Others intend to remain open as they, that is, both day and night, in this area has been, that is, in the morning, a shorter business week, we should be looking ahead a full day or two before we can say for sure.

This could be done by starting short hours and by increasing sales and time help of late. It has been, giving some support to the idea, possibly from other slack traffic.

We accept the argument that closing all day Monday is better, as only three hours more per week and that Thursday afternoon business would be, it is better than Monday afternoon business. We also agree that our local people would probably get used to this in a perfectly reasonable time.

Next Monday, our city are in constant contact with others, but this and other business, big city and now discuss.

D. Whitney new Imperial Oil Agent

For fourteen years Henry Rute has operated as agent for the Imperial Oil company at this point and on December 3rd turned over his operations to Don Whitney who has purchased the agency.

Henry has also sold his farm and although he has ideas in his mind nothing concrete has yet been decided as to what he intends to do in the future. He states that he still intends to stay in Bashaw however.

Don Whitney, who with his father Ray has operated at the oil well for the last number of years now transfers his operations to Imperial Oil Ltd. and with some good knowledge of the fuel oil business should make strides in his new operation.

Barbershop Chorus to thrill Residents

This Friday evening the UOJ are giving a concert at the Elks hall for the benefit of the Elks hall. The barbershop chorus and quartet are really good and have been well known for some time. The quartet has been a award winner in the province and in western Canada and British Columbia. It has been a member of the UOJ and will be the night now.

Mr. and Mrs. E. Harkness of Plover are guests at the home of their daughter and son in law Mr. and Mrs. L. Harkness.

DEPARTMENT OF PUBLIC WORKS OF CANADA

OTTAWA, Dec 5.—Clifford R. Harkness, MP for British Columbia, Alberta, announced for the first time that he had been informed by the Hon. David S. Fulton Minister of Public Works, that a \$125,000 contract had been awarded to R. Harkness construction of a new office building at Bashaw.

The firm submitted the lowest bid of five in response to advertising for public tenders, which closed November 14, 1932. The highest bid was \$181,171. The work is scheduled for completion in four months and is part of the Department's winter work program.

The building measuring 23 ft. by 36 ft. will be a one-story structure without basement. It will have four doors on the main entrance at the front and a concrete foundation and frame construction with an exterior finished in painted asbestos cement board, and brick veneer. The interior finish will consist of plaster board and plywood with linoleum covering the floors.

AN IDEAL Christmas Gift FOR DAD

Please Dad this Christmas with a copy of the new book

"Tides in the West"

A WHOLE POOL STORY

If he was a pioneer, he'll relive all the trials and tribulations of growing and maturing in the early days. And he'll find out more than that sense of pride and achievement gained when he and his neighbors joined in to build the Alberta Wheat Pool.

If he is a young man, he'll get a taste of the events and circumstances leading up to the pioneer farmer's decision to organize his own marketing organization and the achievement of this farm co-operative on behalf of farmers in the past few decades.

"Tides in the West" is a 400-page, hard covered book, which covers a place in the bookshelf of every grain farmer in Alberta.

Available only by bookorder or by phone from your local Alberta Wheat Pool agent.

**FACTS AND PAROLES OF
XMAS AND NEW YEAR
SEASONS**

At Christmas time, people bring good wishes for the year that is, if that is a hard task. I would they are! The present day and night are the birthplace of the Christmas spirit. It is established in the last century. The gift is a slight hint of the population in the United States. It is estimated that more than 25,000,000 Christmas trees will be decorated this year. You can multiply the number by the estimated number of decorations and true lights that will be required, and you can guess as to what proportion the Christmas business has grown.

More than one hundred years ago in the little town of Salzburg, Austria, there dwelt a parish priest who was much beloved by his flock and a very devout son of the church. And it came to pass, that one night when returning from a visit to where he administered the

and thus, he was accompanied by the beauty and

beauty of the Christmas night. Once in the saddle, his horse he is said to have been inspired by the night and the sacred things he had just performed, and composed a poem. Not satisfied with the words of his

work he wrote his organist Franz Gruber to put the words to music. This, the organist did, picking out the melody on his guitar, later incorporating the melody to organ music.

As a result of this historic collaboration, one of the world's greatest religious songs was born. Since then, the entire Christian world has sung this song — and not only at Christmas time. The name of the song is "Silent Night, Holy Night," and its humble priest's name — Father Joseph Mohr.

Contrary to common belief, the giving of gifts on December 25th did not stem from the initial giving of gifts to the Christ Child in the manger by the 3 Wise Men also known as the 3 Kings of the Orient. It is from the Bible reports that when these three kings saw the star in the heavens they made their way to Bethlehem with gifts, frankincense, myrrh and gold.

One of the most heated arguments of the Christmas season each year is the actual holiday given between the old and the new year. It is held again in 1933.

Both years are in the midst of making plans for their celebration. The old times have two or three days before and after the Christmas season and the new year has been the art of bounding and more have to get out of it. There are being sharpened in preparation for the new year. The new year is being taken a holiday.

Get out at 1:30 holiday day for one game that always gives thrills and some blood.

FACTS AND FABLES OF CHRISTMAS AND NEW YEAR SEASON

The story of Santa Claus has been written for centuries. The great tradition of the holiday season has grown through the centuries.

Fact, fiction and belief have been blended into one picture, wrapped in red and green ribbons with a twist of fairy added to make the Yuletide still more magical.

Here then is such a magical compilation of Yuletide legends.

The top ornament of a Christmas tree is usually a star representing the Star of Bethlehem which appeared to the Three Wise Men. Of course, the Christmas tree ornament can be anything that will "top" the tree, but actually it is known as the Yuletide.

A Santa Claus has been created by many names, not the least among them being Kris Kringle. However, Kris Kringle is not of German origin, common belief notwithstanding. The name comes from a modification of the German "Krischtel" or "Christ Child." According to legend, the Christ Child is a white robed angel, a messenger — the "Infant Jesus" who came bearing love for the children of the world.

The most beautiful place on Christmas is the polestar. For people the world over who use the polestar to find their way, it is a constant reminder that it is a wonder of tropical or equatorial climates.

If you would have good success every month of the year, the English believe, you should taste at least 12 times a year. And, of course, you must taste (or eat) 12 times a year. The number 12 is of such of the year at Yuletide. How much more there is in this legend than anybody's guess. But you may not be so sure of this Yuletide story, is a much-echoed.

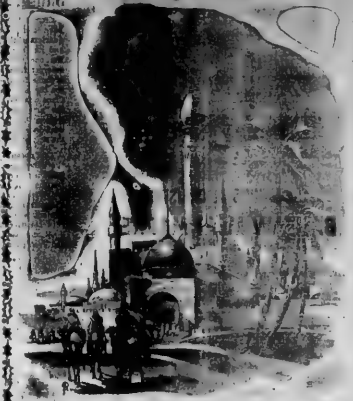

Certainly most folk believe that December 26th is the day acknowledged by the world since the people of the Christian era.

A Gay 90's Christmas Dinner

In this day of calorie-counting and weight-conscious people, it is interesting to note that a Christmas dinner was held at the turn of the century. As a matter of fact, the Christmas dinner for the three Christmas meals at the White House are slightly staggering and yet they weren't considered out of line when it came to holiday feasting.

Mr. and Mrs. Bill Grant, enter, leave the Sunday dinner Mr. and Mrs. John Baker and family, Mr. and Mrs. Frank Taylor of Watrous, Mr. and Mrs. Ervins and family of Poncha, Mr. and Mrs. Clarence Kirkham and family of Edinburg.

Mr. and Mrs. Alfred Jensen and Mr. Frank Jensen attended the wedding of their nephew, Harry Jensen in the city of Edinburg on Saturday of the past week.

Mr. and Mrs. Donald Olsen and wife were Sunday visitors with Mrs. Inga Olsen and Mrs. L. Olsen.

The Santa Claus trees are, probably of the past week, and of course the trees are decorated with the usual trimmings from our woods.

Christmas trees were taken out from Westman, Mr. and Mrs. D. J. Jensen, and they were taken out from Mr. and Mrs. Frank Jensen, Harry and Louise Jensen, and family of Edinburg were Sunday evening supper guests with Mrs. Inga Olsen and Mrs. L. Olsen.

Mr. and Mrs. O. P. Dell of Watrous were for some of Mr. and Mrs. Phil Jensen family.

A Christmas tree was held in the town hall on Friday afternoon by the First Lutheran church and president, Mrs. L. Jensen, a fine words of well-wishes after which the introduced the music of Christmas.

Mr. and Mrs. O. P. Dell of Watrous were for some of Mr. and Mrs. Phil Jensen family.

Santa Claus Around The World

with his pack of toys for all good boys and girls. The beauty in all children, the wonder that lights up their faces and gladdens the hearts of everyone at Christmas time is eloquent tribute to the holy idea behind the festival celebrating the birth of Christ.

In many lands, the symbol of Christmas and Santa Claus is different. In America and many other countries the appearance of Santa Claus is the signal for the holiday season to begin.

The jolly, round, rosy-cheeked character with the flowing white beard is the fellow responsible for the bringing of gifts. He drives a high drawn reindeer sleigh and visits across the night sky on Christmas eve from the North Pole, dropping his gifts in chimneys.

Believe it or not, he is the patron saint of bankers, merchants, children, unmarried girls, sailors, and thieves. He lived a long time ago and is said to have died about 345 A.D.

About the year 800 A.D. Santa adopted St. Nicholas, the Greek bishop of Myra, as his patron saint. Later the legends followed suit as did the namesake, and it was that it is where St. Nick acquired the story of the reindeer and sleigh.

And with the changing of the name, so changed the symbol of Santa Claus. In Germany, France, Switzerland, Holland and Luxembourg, Santa Claus is recognized as a bearded man with a long white beard, dressed in a red and white suit, and down not only with gifts for the good children but also with a whip for the naughty ones. He makes his ghostly ride December 5th.

In many countries, the Christ Child or Kratkid, is the giver of gifts. Others follow in the same role as we know and many of them have passed into legend. This would include Santa Arla, a cloud peddler who, accompanied by the Father Star, brings gifts to children.

Heavenly children depend upon a host of angels for their Christmas, the wonder of children's joy, all combined in one joyous song and praise of thanksgiving, of loyalty, that is Christmas.

Grade 1x's] GUTS WHAT... RENE Dumas and Paul... Plasm followed by what we do with it. We decided to have a real Santa party. The party began by playing into a hay rack drawn by a tractor. Charlie and off some time for driving it.

When we returned to the school we ran into the basement and dressed as Santa and Mrs. Claus. There were several dances such as Polka, waltz and spot dances. The winners of these dances were Marie Han, Marie and Ramona Redinger, Brown, Paul and Roger Smith and the spot dance: Paul Muller and Dale Scharow.

Then came the moment for the lighting of candles. The girls winners were Marie and I. Marie received a pen and I received some perfume. Then Theresa hypnotized some of us. She had each a statue of water, with Marie's staff underneath it. They had to dip their fingers in the water and rub their fingers on the bottom and then on their faces. Then they looked in the mirror.

A delicious lunch which consisted of pea soup, potatoes, cabbage, carrots and potato salad, was served. Even though there wasn't a big turn out we enjoyed ourselves immensely.

16th Century Marks Birth Of Christmas Tree

It's very possible that England saw its first used during celebrations by many people have been un-Christmas tree as a result the Druids; the use of the order the impression that the of a marital alliance in the green boughs and trees evergreen tree has been a Victorian era. It seems that symbolizing the ever-green symbol of Christmas since when the German married ever-growing spirit of Na-the German Prince Albert, sure, with due reverence he brought the Christmas and homage paid to the idea, tree custom with him, and Since the advent of the there it has stayed over traditional tree, candles and ornaments represent the new birth and bloom of growing things.

Nothing could be further from the truth. As a matter of fact it was not until the 16th Century that the use of evergreens was sanctioned by the church. The first evergreen tree as used at Christmas such as we know it, was first introduced in Strasbourg, Germany; history indicates the date at 1604, and had been used traditionally young; the story goes, the 16th Christmas color account at the holiday season in this use of evergreen boughs for ing to the precincts of the country for centuries. Indoor decorations were church.

ST. PETER'S W.A. OF ADVENTIST CHURCH HEAD LINE REPORTS

The annual meeting of St. Pe-ter's Anglican W.A. was held at the home of Mrs. B. W. Hall on Wed-nesday, January 25 and there was a good attendance.

The meeting opened with pray-er with the President Mrs. L. Haugh in the chair.

Correspondence was read and it was learned that a number of Thank you cards were received from various people. Material was received re the world Day of Prayer.

Delegates to the Diocesan An-nual meeting in Calgary were at-tended, Mrs. Gregory (allies) and Mrs. J. H. Pearson.

The treasurer's report was pre-sented by Mrs. M. Bajer who also moved the adoption of the report.

The Dorcas report from Mrs. J. H. Pearson showed several low case turned in but more were wanted.

The Little Helpers reported several cards to be sent the birth-day.

The Sick and Suffering re-ports showed two hours of clean-ing sent to Calgary and another hour being prepared.

A wish has been registered to need to an Ezkinay box at the Charles Connell hospital.

The meeting concluded with prayer. Study Period was cancelled for this meeting.

Two resolutions were ap-pointed to meet with the World Day of Prayer Mrs. Steve Reed, Mrs. Lee Reed.

For the February meeting a film strip for the World Day of Prayer was arranged for and it was decided to invite the UCCW and the Lutheran Ladies Aid for a social hour.

Plans were made for the St. Peter's Anglican annual meeting with a special supper to be held January 19th in the Parish hall. Committees were appointed for

1960, and are as follows:
Edmonton meeting: Mrs. Edith Olson.
Little Helpers Secretary, Mrs. Ellen Reed.
Dorcas Secretary, Mrs. J. H. Pearson.
Social Service, Mrs. H. War.
New members: Mrs. E. Hall.
Nursing committee, Mrs. E. Way.
Social Convener, Mrs. Wm. Olson.

Roll call and dues were paid. The meeting was closed with prayer.

THANK YOU!

I wish to express my heartfelt thanks for the many cards, flowers and "thoughtfulness" shown me during my stay in the Parks and Edmonton hospitals.

The many kind words and the encouragement of all you wonderful people shall never be forgotten.

A special thanks to Dr. Corman for his kind words and the care he gave us the night of our accident.

NEW YEAR

IN MEMORIAM

In loving memory of Loren Miles O'Neil, who passed away January 4, 1961.

Surrounded by friends, I am lonely.

In the midst of joy I am blue with a smile on my face.

Two a month, I am lonely. Longing dear Loren for you; Your loving kindness and gentle ways.

Will linger with me all of my days, I think of you each day I rise. And pray we meet again in paradise.

This special prayer for you each day. My heartfelt thanks God, for you I pray: Your words can ever say: How you helped me, from going astray. Your words, kind deeds will never die. Will linger on at those times by. Without you life seems lonely and dreary. Something was lost that I never will be replaced. Never loved and remembered By Lois O'Neil

STUDENTS SHOULD KNOW BOOR

With the advent of April students in all high schools are now looking forward to the last stretch of school. Some perhaps are hoping it will soon be over and all ready to have their summer vacation. Others are hoping they will use their final preparation for going on to other schools. The latter group is the one that the **YE** editor is addressing. The **YE** editor is not a student, but he is a teacher, and he is a teacher who has been in the classroom for many years. He is a teacher who has seen many students go from being "boor" to being "good". He is a teacher who has seen many students go from being "boor" to being "good". He is a teacher who has seen many students go from being "boor" to being "good".

More and more students are going in to other learning after high school. This is why it is now more important than ever that you know what you are doing. It is in a time of transition. The Spring, and the summer, and we need to be ready for it. It is a time of transition. The Spring, and the summer, and we need to be ready for it. It is a time of transition. The Spring, and the summer, and we need to be ready for it.

Remember that **YE** editor has come on before you with much less than you. You can do it if you will. What's **YE** editor's first time enough to get it done or to fail it away.

THERE MUST BE BUSINESS DOGS

This column is a review of the election result but we feel you think that whatever must come to pass there will have to be some real co-operation with one another if the business of this country is to be helped to and stop us striving towards a country with a belly-bone instead of backbone. Anyone who lives Canada knows we have a wealthy country by natural resources and a resourceful people by nature. They may or may not be aware of it, but we have a country that is second to none in the business of growing and running this country. The people who live in this country are the finest of the whole biological breed that we have seen down on the soil. Even though we are a young nation in the life of the nation, we are intelligent and the people of this country can be led and if necessary will sacrifice under any leader to make sure that a status quo of a country is maintained. One ordering our population, too many men, women have earned their lives to have the country become a checkered in which the only gain is to see how many men can be injured, and killed, and maimed, and maimed in the game for the good of the nation.

This is our country, which we have built, and hand it together in times of war for the common good. To have it treated as a lost island in the ocean, and changes with over which a party is to invite the people to go to a great country to form their own party, and not to invite to maintain a nation, and with the influence it should have in the world. Let it be that the nation will get down to business, in matter how hard the undertaking, and how adverse the criticism. This is a time to build Canada, not spend millions to see if the people can make it or not.

It is not the cash that makes us believe the man but the man, the cash.

ALIX EXPLORES CHILDREN USING HALL
WITHOUT PERMISSION OR SUPERVISION

As most of the people of the Alix district know, the Community hall was fixed up last fall to enable the children to play basketball and badminton. It has been used 3 days a week for this during the winter and the children have enjoyed themselves. It has come to the attention of the Hall board that a group of school children are making more use of the hall than the others. Evidently, the coach and other means have been used to get the children into the hall.

REAR PLANTING

Within the last few years many of the home owners who are getting a use in years are adding a fine example to the younger generation by decorating and improving their premises with numerous trees of shrubs and trees which require somewhat less work than extensive and give a fine appearance to any home.

New home owners and those contemplating getting in permanent homes and trees you do well to get together and bulk order—in this manner considerable savings could be made.

At the same time a good professional landscaper could share the costs of his services so that to one will be having too much individual.

When the time comes for planting the permanent shrubs and trees at the new house, it is possible that the services of a competent man will be needed to plan out the grounds. At this time residents should be able to use his or her services for a little more, and the whole group will benefit.

NEW IDEAS IN BUILDING

In spite of the fact that the village we live in is an abundance of forest products, new engineering and chemical facilities have started to produce all sorts of materials for building and building— and although they could not be used as they are used, for the same effect, they are becoming known as "Aluminum" which was once a rich man's hobby material has come into its own as a building material and considering some advantages, it is preferred to some extent. Recent buildings have had the kinds from out and out today are doing most of the common construction and new buildings. Where has it come in a new class a back seat.

However good this may be we are not required to technically disease, but we are new, making into consideration, the basic designs, finish, and availability, that wood products have been holding their own as well as creating new designs.

ends with its special finishes. A wood home has always been a warm and inviting and warm living place. And variety of ideas in design can be extended by many more people with this product than the others. With the housing demand, it is possible that the demand for wood products will never cease. Certainly it has been one of our natural resources that must be used in one way or another, then matter, it will be used in this manner, and the wood, and the investment of many who can share the rough stuff into its fine and useful uses.

MEN'S FASHIONS

Although women have the distinct and I covered advice from men such as their and others for leaving their robes in line with the year, and indeed the season, men have never been able to, although to have any new idea, a designer, or created custom clothes for a figure that would build a new house. Recently we read that some varieties of women must run as high as \$100,000 for dresses alone, and at least one every year wears twice. He new new trend.

All of this seems to the average person an expensive town a little bit of the new trend of the average person in a \$20,000 dress doesn't add one bit more to the character; nor does he buy a suit or a pair of shoes for every hour of the day.

It seems to us that those who have perhaps out two pairs of shoes, and perhaps a pair of golf shoes, or sneakers for sport are among the best dressed. For their shoes represent something that has been worn for a purpose, of walking or working.

The man who has to have his social, a business, a party, a year in uniform, like the man who plants a garden, builds, plays ball, enjoys his family, and manages to get to church on a small car. For everything this man (Continued on Page 3)

SMITH SCHULTZ

HEADS CORP AGAIN

At the regular installation, reformation of the Order of the Royal Purple held last week in the Bashaw City hall, Supreme Grand Royal Lady Edith Schultze was named to that post for the year.

The ceremonies were colorful and all the pagantry of a crash drill had been in evidence as the prime visiting Bashaw Mrs. Peter Smith and her work in securing those to be installed into office.

Deputy Lady Edith Schultze, in charge of the installation, presided by Lady Peter.

Prior to installation a District Deputy had been presented to Lady Peter and a gift and certificate from the lodge. A bar and champagne was also presented to Smith Schultze as R.H.L.H.

During the evening Lady Louise Cambridge received a gift from the lodge for her services as hostess.

In the traditional colors of purple and white and the robes of both the Order and the Blue drill team, the ceremonies were given with dignity and beauty.

In order of installation they were presented as follows:

Patricia Perry Carter; Colleen Court; Leanne Berke; Susan Court; Donna Babb; Constance Pat Ward; Chaplain, Mrs. Brown; Historian, Pat Bennett; Treasurer, Betty Smith; Secretary, Wanda Day; Lady Lady, Lady Clark; Learning Lady, Lady Smith; Assistant R.H.L.H., Lady Schultze.

BREAK INS OVER WEEK-END AT FURNITURE WAREHOUSE

The week-end and time again for Peristone at break-ins and attempted break-ins were tried. The Peristone Hardware is 8300 south of 4th and 10th. Apparently the culprits crawled under an 8 inch fence over a cartage door in the lumberyard and smashed glass in the inner door to gain entry.

At the same time the U.G. or latrine at Peristone was entered and a pillbox was removed.

Two attempts on other buildings were unsuccessful. The break-ins occurred on the night of Saturday-Sunday the 24th and 25th of July.

Retire from Active Business

Two weeks ago the Bashaw, Power is now located and Co-to took over from the Elks and Elks general store here on main street and that day Jack Sills and Jack H. Pearson walked out the door of their store for the last time as business men in Bashaw, after a record number of years in partnership.

Jack Sills, the three business men and the army of the Elks, built a business that stood over the years until 1953. Both gentlemen are planning on staying in our fair town and are enjoying the retirement they have earned.

Jack Sills started business in a stand where the Calgary

GEORGE RUFF LAID TO REST MONDAY

Funeral services for the late George Ruff, one time business man and resident of Bashaw, who died in Camrose last week, were held in Camrose Monday afternoon and in the afternoon at the funeral home, with Pastor Remus officiating. Pallbearers were: H. H. Schultz, Henry Blake, J. H. Pearson and Ben Holt. A full obituary will appear as details are made available.

The late George Ruff was in his early years a member of the Elks lodge and as a corporal received decoration from King Carol at that time.

George Ruff's last 10 years 12 was his own building on the corner which they had.

They did a large general store business together down through the years and in the last two years have been looking forward to retirement.

The funeral services were held at the funeral home, with Pastor Remus officiating. Pallbearers were: H. H. Schultz, Henry Blake, J. H. Pearson and Ben Holt. A full obituary will appear as details are made available.

"Tuck" Pearson Dies Sunday at Marwayne

Last rites for one of the district's fine pioneers and eventually went to live at the court and there as well as here, had many friends. There was nothing he enjoyed more than showing the sides of the various trips he has made and checking on some old-time amusements.

"Tuck" as he was familiarly known to everyone in the district has been visiting here from his home at the coast, where he resides with his daughter. He was seen daily making his stroll up the avenue and conversing with his many friends. He has always enjoyed people, and following his retirement from the post office, and the sudden passing of his wife Dorothy just prior to that, he was at a loss as to

Before the war he was an employee of the United Bank in Bashaw and served overseas from 1916-19.

He met and married Dorothy Ann in 1920, who was born in postal work until her death in May of 1953. He was also predeceased by his son Bill who was a member of the senior service in 1940.

Besides his daughter Marge who resides at the west coast, he is survived by three children: Jack E. Reginald and Leslie and two sisters Betty, (Mrs. L. Wilson) and Lena, (Mrs. Steve Reed).

He was an ardent member of the Elks lodge and a member of the Royal Canadian Legion. He enjoyed his many visits (Continued on Page Four)

Law Sits down tractor driving and tail lights

Under information on the following new or revised sections of the Vehicles & Highway Traffic Act, commenced July 1st, 1953 and you are asked to take particular note of the following:

- (a) by striking out subsection (1) and substituting the following:
(1) No person under the age of sixteen years shall drive a tractor or self-propelled implement of husbandry on a highway.
- (b) No person shall permit another person under the age of sixteen years to drive a tractor or self-propelled implement of husbandry on a highway.
- (c) No person shall permit another person under the age of fourteen years to drive a tractor or self-propelled implement of husbandry on a highway.
- (d) by adding the following subsection immediately after subsection 10:
(10) An operator's license of a learner's category may be issued for the purpose of operating a motor cycle, scooter or power bicycle under such terms and conditions as may be prescribed by the Lieutenant Governor in Council.
- (e) Tail Lamps
Section 43 (1) Every motor vehicle, tractor or trailer, and every trailer and vehicle being drawn at the end of a train of vehicles shall be equipped with at least two tail lamps mounted on the rear of the vehicle.
- (f) A motor cycle, self-propelled implement of husbandry and a tractor shall be equipped with at least one tail lamp mounted on the rear.

The picture above shows the group of the OORP officers who were recently installed by District Deputy Leslie Miller at the Elks hall at Bashaw.

- (2) A tail lamp shall be visible, when lit as required by this Act, of a sufficient red light plainly visible from a distance of not less than five hundred feet to the rear of the vehicle except that in the case of a train of vehicles on the tail lamp on the rear most vehicle need not come from that distance.
- Section 44, in addition to the terms required by this Act, every self-propelled implement of husbandry, shall, at the time mentioned in subsection (1) of Section 40, be equipped with and display such other lights and reflectors as may be prescribed by the Lieutenant Governor in Council.

Mr. and Mrs. Gordon Perkins and boys of Lethbridge were visitors at the home of the Robert Boehles.

CARD OF THANKS

I would like to thank everyone for the cards, gifts, flowers, visits I received while a patient in the hospital. Also a special thanks to all who came to the home to see me in hospital. God bless all those who helped me in my illness. I am well and hope to return to my home in the near future. Mrs. J. G. Pearson

Mr. and Mrs. Bill Ross and Mrs. Henry H. Schultz were in the home of the Robert Boehles.

On Monday evening July 29th a number of friends gathered at the home of the Robert Boehles for a social evening. The evening was spent together. Lunch was served by the ladies including a lovely meal made by Mrs. J. G. Pearson.

THANKSGIVING

Thanksgiving, 1963 has perhaps been about the best yet. It has been a day of joy and peace, and the weather has been just what we needed. It has been a day of giving and receiving, and the spirit of the season has been everywhere. It has been a day of unity and harmony, and the love of our fellow citizens has been evident in every heart.

CO-OPERATION OF ALL IS

It is a fact that we are living in a time of great change and uncertainty. The world is full of problems and challenges, and we must work together to overcome them. We must co-operate with one another, and we must have faith in our common future. We must have faith in the goodness of our fellow citizens, and we must have faith in the power of our God.

THE MORTUITY DAYS

The Chamber of Commerce is holding a series of mortuities in the town hall on the 16th, 17th, and 18th of this month. These mortuities are being held to raise money for the construction of a new mortuary in the town. The mortuities will be held from 10:00 a.m. to 4:00 p.m. each day, and the proceeds will be used to defray the cost of the new mortuary.

JUNIOR CITIZEN AWARD

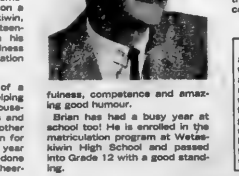

BRIAN SWITZER

R.R. 2, WETASKIWIN, ALTA.

Do you remember when you were sixteen? The years are great years — full of carefree days at school and play.

But being sixteen means something else to Brian. Living on a farm ten miles from Wetaskiwin, he was like any other rural teenager until last year when his mother became ill. Her illness culminated in a serious operation last June in Edmonton.

Taking complete charge of a household is a big job. Helping your father with meals, house-keeping, the outside chores and looking after your sister, brother and farm helper may be fun for a weekend, but for a whole year, it's not much fun. Brian has done all this for over a year with cheer-

fulness, competence and amazing good humour.

Brian has had a busy year at school too. He is involved in the matriculation program at Wetaskiwin High School and passed into Grade 12 with a good standing.

And, he hasn't forgotten his extra-curricular activities. He is an active club worker, and has continued with this worthwhile work all year.

We join with the editors of Alberta's weekly newspapers in congratulating Brian, and other responsible teenagers who contribute so much to family and community life.

This is one of six announcements about the 1963 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledges the active participation of Alberta's weekly newspapers, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible. For this winner special thanks go to Mrs. Marjory G. Mearns of Rex City, Wetaskiwin and to the Editor of the Wetaskiwin Times who nominated Brian for the award.

And all Bear too . . .

Above is shown the mascot and finished polar bear hide which looks like a real bear. The hide was made by Mr. and Mrs. Alex Woods recently while on his way out of this to Canada. The animal was on display at the Greater Edmonton 2 year night in the north 12 years, off and on and is now in Calgary. The hide was accompanied by Hugh McCall, manager of the Imperial Bank and Yellowknife. The bear was taken near Tuktoyaktuk in the Arctic one and was a 17 1/2, 4 inches by 10, 3 inches the other. Shaulsky is a new man chosen at the time for Yellowknife and has completed more at least to go down north for next summer.

Here is the hot new Falcon for 1964-

far and away the finest Falcon ever! So new, so beautifully changed that you have to look twice to know it's a Falcon. Open competition has bled into the '64 Falcon a whole new set of winning ways. Handling is easy but emphatic and this Falcon sits tight to the road, even on sharp turns. Power and acceleration are spare from its Rally-winning optional V-8. Plus the remarkable durability that's a hallmark of all the '64's from Ford. The changes in the '64 Falcon all add up to total performance. You really should try it first, hand!

Test drive the total performance of the '64 Falcon - at your Ford Dealer!

The hot new Falcon for 1964 has a sleek new look to match its spirited new personality! Choose from sedans, hardtops, wagons, convertibles... for and savor the finest Falcon ever!

Must be less than 18 years of age to drive Ford or Lincoln. Changes in colors, equipment or accessories are subject to change.

with matching neckties of orange and red and white pattern, and the attendant carried a small bouquet of white roses.

Flower girl, little Miss Adam, sister of the bride, carried a small bouquet of white roses. The groom was attended by the bride's brother, the best man, and Mr. Gordon Jagger, uncle of the bride. The bride's father, Mr. Jagger, was the officiant. The ceremony was held at the home of the bride's father, Mr. Jagger, in the city of Calgary.

The bride, given in marriage by her father, chose for her wedding a full length gown of white satin with long sleeves and a high collar. The groom wore a dark suit with a white shirt and a dark tie. The bride's father, Mr. Jagger, was the officiant. The ceremony was held at the home of the bride's father, Mr. Jagger, in the city of Calgary.

ONE FOR A BLIZZARD

The days of the old fashioned blizzard that blocked the roads and kept everyone in his pad. There was a day in the history of our town, when the blizzard was so bad that a family stayed at home to enjoy one another and take tea in the family room. With the coming of the snow, paid that changed and today, snow or blizzard in no one usually from getting in to enjoy what we've scheduled.

With the use of blizzard in no one usually from getting in to enjoy what we've scheduled.

IF YOU'RE IN NEED OF FURNACE
WORK FOR THIS WINTER

Let us tell you we have installed a number in various districts and our work stands on its own record. Before consulting elsewhere check with us on the type of furnace you want and the type of fuel you will use. There are many factors to take into consideration when installing a furnace system and we have had enough experience to give you many of the answers.

Season's Greetings

Christmas is the time for families to be together, for children - and love - and love.

Christmas is the time for all of us to give silent thanks that we live in a land of plenty and peace. A land that holds promise of beautiful tomorrow and happy Christmas time to come.

Christmas is the time for wishing each other well - for health and happiness.

The people at Calgary Power, technical and office staff - and particularly the district staff who serve you - wish each of you the happiness that comes from goodwill and understanding.

Merry Christmas

Why is it, in a town like ours, full of wonderful friendly people all involved in one or more groups for their own enjoyment, is it not possible to find a single person who is willing to give up ten hours of his own pleasure to devote a small amount of time to help our young people?

Why are we always been interested in coaching hockey and baseball, and so on, but how can one person possibly handle all these activities in a job, Scouts, hockey, baseball and still have some home life? Why do we always insist that if they cannot sacrifice an hour or two a week to help the community, folks, but are so ready to blame the "teen-agers" for wildness and irresponsibility. Have you ever stopped to think, if we have these "teen-agers" occupied as

STAR POSER

Jim Jones has a problem. You have 16 decorative Christmas stars which the window he wants to decorate has 16 poses. He can't put a star in each window, but he can put an even number in each vertical, horizontal and diagonal row. How then, will it look when finished?

A diagram and ten stars are furnished above.

Double-Duty Words
By replacing the stars with the names of two things one or both at Christmas, five four-letter words will appear vertically.

CHRISTMAS MESSAGE
(Continued from Page 10)

In travelling through many un-stopped markets, I can follow the star and at the same time upon my new outfit, the Christmas Manufacturing Company and tell you our experts do the following called on all the tradesmen along the way. He returned later of orders. But it all took time and delayed him greatly, so that the star faded and he never got to Bethlehem at all.

The Star of the East had a true Western feeling for military power and defense. He said to himself, "I will be travelling through the foreign nations and strange to which they passed. I must recruit a strong force and arm them well. Otherwise we will never get to Jerusalem. But the resulting problems of logistics took time, and his soldiers were always getting into trouble with the soldiers of the nations through which they passed. He never returned to allow such a recruiting force to pass through Italy. He did not get any further than Gaul, where they went into winter quarters.

The Third Wise Man was very different from the other two. In everything except the vision of the star and the desire to find the king, he was the true man of Western culture on earth. He had not only called many hard things by their names, but he had even called him a charming violet. He had a high position, no less than president of the nation, Melchior, or de Melchior Advertising and Public Relations Committee. He did not know. This feeling of a new king will be a tremendously big thing. It has great publicity possibilities and must be handled in a big way. We will be searching right into history and the whole world must get the full story. So he was much engaged in giving out press releases at every town at which they stopped, most interesting local journalists. For the sake of complete coverage he made a detour into Egypt, which took three months. But by that time the King of the Jews had been born at Bethlehem and he never got to see the King at all or to present his gifts.

Perhaps it is just a well that the Wise Men often the Star. Perhaps the War, with all its power and skill, will make the way to the Star and the Babe in the manger.

IN LOVING MEMORY

Of our daughter Lorna Marie, who passed away January 10th, 1963.

There's a lonely ache in my heart
Something that no one can fill
A year has passed since our Lorna
has gone.
We know it is God's will.
The thought that we received that night,
We remember it, O so well.
Our hearts do ache with sadness,
And secret tears do flow;
What it means to lose our darling,
Only God above does know.
Each time, I see your picture,
You seem to smile and say—
Don't cry Mom and Daddy

I'm waiting,
We'll meet in heaven some day.

IN MEMORIAM

In loving memory of our sister Lorna Marie who passed away January 10th, 1963.

Let and all we have valued,
A little grave rest far away,
Where they laid our little sister
Just a year ago today.
Our family circle is broken
Our hearts are sore and thin,
Many a time we've thought of
The good times
—Sadly missed by her brothers
and sisters Lou, Gordon, Sam,
Colleen and many-in-law Phyllis
and Adella.
